

2024 Political Leadership Suite Contribution Form

To advance our advocacy mission the McLean County Chamber of Commerce Political Action Committee (PAC), a separate subsidiary entity of the Chamber, formed in 2009 as a bipartisan effort to support candidates, committees, and issues at the local and state level that champion a healthy economy, favorable business climate, high quality of life and progressive future for McLean County. It plays an active role in supporting candidates through endorsements, contributions, and political communications. The PAC traditionally focuses on the City of Bloomington Council, Town of Normal Council, and McLean County Board.

The PAC relies on support from individuals and businesses like you to make our voice heard!

Contributions to the PAC are voluntary and with your steadfast support we can help elect candidates who understand and advocate on behalf of the business community. Your contribution ensures that the PAC can continue to be an effective tool to make McLean County a better place to live and do business.

The Political Leadership Suite (PLS) is for those who want to be top champions for our PAC and understand the critical nature of having pro-business elected officials in office. Your contribution is appreciated.
